

## **ALLIANCE NEBRASKA FCSA MATCH SPRING 2010**

Okay, it looks like most of us made it through the winter; and if you didn't then you probably are not reading this!

The spring Alliance match is scheduled for June 11, 12, and 13 this year. I am sorry for the confusion in that it was reported last fall as being the earlier weekend; we had initially scheduled that time slot but the Alliance Rifle Club came back and said they could not support us at that time frame.

The match will be held on the Alliance Rifle Club's Hoffland range approximately 10 miles East of Alliance on Highway 2. The club has another range approximately 8 miles East so once you pass this (on your right) you will know you are approximately 2 miles away from the range (again on your right); its hard to see if its your 1<sup>st</sup> time there but look for the target markers 1200 yards off to your right.

We typically meet starting Friday about noon and have the range Friday afternoon. You may sight in or just meet and BS...er discuss shooting as you like. Bring match forms or I shall have blank forms available at the range. Typically we do not operate the pits on Friday afternoon but if there is enough interest we can pare off and do so. Regardless sight in targets will be available (typically clay pigeons at 1000 yards); with lots of spotting help available as well.

Usually everyone stays at the 1<sup>st</sup> Inn in Alliance; their number is 308 762 4040. Tell them you are with the FCSA and they typically give us a good rate and put us in the back court. This is an older but clean motel, typical bill for the entire weekend is approximately \$100. Here (weather permitting) we have a BBQ both Friday and Saturday evenings; bring your own meat and whatever and everyone joins in; good eats and good times.

Shooters safety meeting (mandatory) is Saturday at 08:00 and the match is a typical FCSA event with 4 strings on Saturday and 4 strings on Sunday. Every shooter is expected to take their turn in the pits unless arrangements are made for paid/ volunteer target pullers.
