

Dedicated to the Sporting Uses
of the .50 BMG Cartridge

(Don pulling targets at TIGER Valley Range Waco, TX)

Left The Range - Don Heidbrier

Our friend and colleague, the result of a tragic accident during firearms training in October 2009. Don was a founding member of the South Central Shooters Club (SCSC) and a member of the Fifty Caliber Shooters Assoc. (FCSA) since 2005. He was an active supporter of the shooting sports, a firm believer in his 2nd Amendment rights and had petitioned to be a member of the BoD of both the SCSC and FCSA.

Don was a caring person who was involved and participated in many aspects of his community from being a volunteer firefighter, a member of the Montgomery County Sheriffs Citizens Academy to sponsoring his daughter's college ROTC members to shoot with us and gain experience with the .50 BMG at the match in Waco, TX last year. (see VHP 2009-1, pg 83) Don was a US Navy veteran who had served in Viet Nam and he will be missed at the range, where he always helped and volunteered to take on anything. Don leaves his wife and two daughters. Keep them in your thoughts and prayers.
