

SCSC Newsletter January, 2012

Everyone has just returned from the S.H.O.T. show in Las Vegas. Just wanted to take a minute to thank all of the SCSC members who were able to attend and helped with the FCSA booth. I also want to thank John Burt for helping us get a rifle on such short notice. I would like to say he really pulled a rabbit out a hat for us, and his effort is much appreciated.

Shreveport Match-March 2012

We wanted to remind everyone of the upcoming match at Long Range Alley just south of Shreveport, LA at Frierson, LA. It is scheduled for March 9-11, 2012. We hope everyone can attend. We are looking forward to a large turn out this match since our spring match is always our largest of the year. We will continue with the increased quantity of awards like we had at the previous match. As before, we will skip lunch so that we can all share a meal prepared by some of our Texas bunch after shooting has completed for the day. We would like to ask everyone who is planning to attend to pre-register and ask anyone who is able to help with target preparation in the mornings and removal in the evenings to let your match director know when you get to the range. Allen Earl has stepped up as match director and Mark Couvillion is going to help out as the assistant match director, so look for them when you arrive.

We just wanted to let everyone know how pleased we are with how much everyone is willing to help at our regional matches. It is a lot of hard work to put them together, but this group is always willing to lend a helping hand.

Included is match information and directions to get to LRA range at Frierson, LA for those of you who may have never attended. Look forward to seeing everyone in March.

Marksville Fun Shoot- September 14th-16th

We also wanted to remind everyone to try to plan on attending the Marksville Fun Shoot at Dr. McCann's ranch in LA this year in September. Dr. McCann has purchased a new toy that he will be bringing to the shoot that surely will entertain everyone there. Don't miss it. Put it into your plans for the summer early.

Fundraiser For SCSC

Many thanks to David Griffith for organizing a fundraiser at our last Shreveport match in October after the main competition. The match filled a lull in the activity while scores were being tallied. The fundraiser, which consisted of shooting a golf ball at 1000 yards, proved to be especially challenging to the competitors. A follow up competition is in order and will be held after the next match. The entry fee is \$ 40 per competitor. Rules and awards will be determined by mutual agreement prior to the shoot. So bring a little extra ammo and plan on having a blast of a good time shooting a golf ball at 1000 yards!

Hope to see everyone there.

The club has been organized under the guidelines & rules established by the **Fifty Caliber Shooter's Assn., Inc.** (FCSA) and uses those guidelines in the promotion of long distance shooting competition.

The fees for membership into SCSC are \$45 per person for two years or \$65 for three years. Membership fees are due on January 1st of each calendar year.

It should be noted that membership in FCSA (in addition to membership in SCSC) is a requirement before a person will be allowed to participate in a '**sanctioned**' fifty caliber competition.
