RE: NRA Board of Directors – 2015 Election

Dear John,

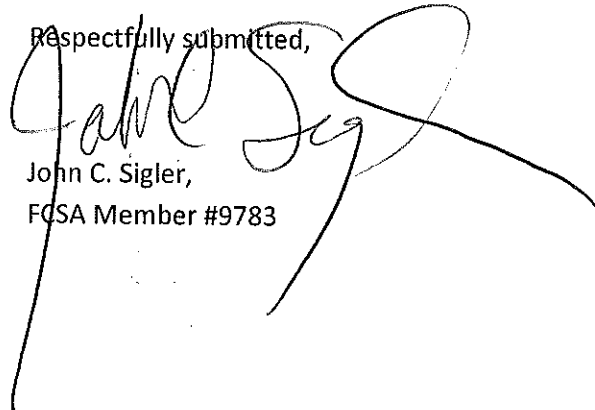

Please accept this letter as my formal request for endorsement by the Fifty Caliber Shooters Association for re-election to the NRA Board of Directors in the up-coming 2015 NRA Board elections. I respectfully request that this letter and the attachment hereto be forwarded to the President of the FCSA Board of Directors and to the various members of the FCSA Board for their consideration during the FCSA Board meeting currently scheduled in conjunction with the 2015 SHOT Show.

Although you are personally aware of my personal commitment to the Fifty Caliber Community and to the preservation of the right to keep and bear arms, generally, I have taken the liberty of attaching hereto a copy of the "Official Biographical Sketch" which will appear in the Ballot Edition of the various NRA publications. As you know from personal experience, we are limited to a mere 150 words so it only very briefly mentions my membership in FCSA. For that reason I have also attached a more detailed biographical sketch for consideration by the Board.

I sincerely hope that you will be so kind as to inform the current Board of FCSA that I was once a member of the FCSA Board and that I currently serve as a member of the Board of Directors of the Fifty Caliber Institute, having once had the honor and privilege of serving as the President of FCI.

Thank you for your assistance in this matter.

Respectfully submitted,

John C. Sigler,
FCSA Member #9783
